10.10.10 Refrain Tune Name: WARNER MEMORIAL

Mary Nelson Keithahn

John D. Horman

Sing of a peo-ple who come to re-joice, prais-ing God's glo-ry with one heart and voice,
Sing of a peo-ple who all their life long, learn from the scrip-tures the sto-ries and song,
Sing of a peo-ple who grate-ful-ly give in want and plen-ty that o-thers may live,
Sing of a peo-ple who will-ing-ly bear bur-dens of friends fac-ing grief and de-spair.
Sing of a peo-ple who stand side by side, wel-com-ing strang-ers with arms o-pened wide,

9

pray-ing for par-don, for strength and for bread, bring-ing their of-ferings, that all may be fed.
grow-ing in faith through the life that they share, catch-ing the spi-rit of love that is there,
show-ing com-pas-sion for peo-ple in need. Faith with-out works is a poor faith in-deed.
sor-rows of strang-ers who long for God's grace, hold-ing them all in a car-ing em-brace.
of-fering them friend-ship, their ver-y own place here at the font and the ta-ble of grace.
